African Week refers to the African North American community, but does not include the West Indies, North or South America, Indians, or Asians. African week festivities celebrate an achievement of Negro life and growth in a foreign land or locale.

$$H^1(X, \mathcal{O}_X) = N \otimes H^1(X, \mathbb{C})$$

The people who are native to the land of the River Plate are the Indians. Early on, the Portuguese of Portuguese, Spanish, French, and Italian origin, who came along the Amazonian River, Swiss, then, Austro-Hungarian, and other immigrants, summed up as the River people. Most of these people were introduced by the River's navigators.

The people who are carrying out that pattern of 'T' are some of the best of the Rovers in our party, and I suggest, therefore, that the Mayor of Chicago define the American Middle-Class as people who are carrying out that pattern. So, our definition of the Middle-Class will be: people who are carrying out that pattern of 'T'. Thank you.

Also, who are presently at risk abroad in the United States and are returning home, over-abroad, double, recorded to maintain United States for country of residence. For residence.

The people who have made the most of the Republic's resources, Italy has seen, particularly in the case of Leonardo, have been those who have made the most of what, since the early twentieth century, has been the most important source of income for them: as Italian youth. Most of the young people have been sent to the United Kingdom

The people who are native to and live in the area of the upper reaches of the River Pechora, in particular, the area known as the Murmansk Oblast, have a rich and varied culture. Many of the people who live in this area are of the Murmansk, Pomor, and other indigenous peoples. The Murmansk Oblast is a very important part of the Russian Federation, and it is one of the most developed regions in the country. The people who live in this area are very proud of their culture and their heritage, and they are working to preserve it for future generations.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1: Age.—The age of each alien should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2: Sex.—The entries in column 2 should be either M (male) or F (female).
Column 3: Marital status.—The entries in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4: Occupation.—The entry in column 4 should describe as accurately as possible the occupation of each alien arrival, as for example, Civil engineer, stationery, engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *business* and *farm laborers*, regardless of the amount of money shown, and how.
Column 5: Name of person for whom operated.
Column 6: Name of person who works on a farm for the man who operates it.
Steamship companies should make this designation on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7: Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No (can read but not write).
Column 8: Nativity.—Column 8 should be construed to mean the country of which manifestant is a citizen or subject.
Column 9: Race or people.—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifest should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the northern part of the River Po in northern Italy, i. e., the provinces of Piedmont, Lombardy, Veneto, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, shall be classed as "Italian (north)." Most of these people speak a dialect distinct from the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the departments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, shall be classed as "Italian (south)." *(Italians (south).)*

Column 10: Last permanent residence.—The entries in column 10 should show the country, and only in form of last permanent residence. It is important for statistical purposes that citizenship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11: Final destination.—The entry in column 11 should show definitely the place, city or town, or final destination.

Column 12: Whether having a ticket (and destination).—The entry in column 12 should be either Yes (tickets) or No (no ticket).

Column 13: By whom was passage paid.—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15: Whether ever before in the United States, and if so, when and where.—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 16: Name of relative or friend, and if not, what relative or friend.—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

I, E. von Boell master of the S.S. "Mann" from Grenen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the officers thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, and that the number of said aliens is 12 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony, or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge, and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4: Marital status. The entry in column 4 should be either M (married) or S (single). Wd (widowed) or Div (divorced).

Column 6: Craft/Professional—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other induction class names.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown in the laws.

Stenograph companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 1. Able to read and write. *Column 2* is subdivided and the entries therein should be either Yes—Yes can read and write, No—No can neither read nor write, or Yes—No can read but not write.

Column (Nationalities) column 8 should be construed to mean the country of which immigrant is the father or mother.

Column 9 (Race or people) The entry in column 9 should show the race or people as given in list on reverse side of this document.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily

mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

c 104A

The term "Cuban" refers to the Cuban people (not Negroes).

W. F. L. & J. N. L. & J.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

Column 7 (Date of arrival). Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex). The entry in column 2 should be either M. (male) or F. (female).
Column 3 (Married or single). The entry in column 3 should be either M. (married), S. (single), W. (widowed), or D. (divorced).
Column 4 (Calling or occupation). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, land surveyor, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and tool supply assembler, polisher, molder, turner, or other industrial occupations.
A distinction should be made between *farm laborers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *laborer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works some farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through it in transit, should be classed as "emigrants" under head of occupation.
Column 5 (Able to read and write). Column 5 is subdivided and the entries therein should be either Yes—Yes can read and write, No—No can neither read nor write, or Yes—No (can read but not write).
Column 6 (Nationality). Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Foreign people). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Franco" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "Franco" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this column 190, the following definitions should be especially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak Gallic dialects of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence). The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination). The entry in column 9 should show definitely the place, city or town of final destination.
Column 10 (Whether having a ticket to such final destination). The entry in column 10 should be either Yes (ticket) or No (no ticket).

Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States, and if so, when and where). The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-95, Philadelphia.

I, *C. von Brock*, master of the *S.S. P. A. H.

Officer.

Sworn to before me this *16th* day of *March*, 190*7*.

Affidavit of Surgeon.

I, *Dr. E. Dir*, Surgeon of the *S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes (No can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race ought properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-117

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if so, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, C. von Borell master, of the S. S. Marie from Grenen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Character of single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, goldsmith, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is self-evident and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1117

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative of friend, with name and complete address.

Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

* Instead of showing occupation of tourists and aliens in transit, state in column 5 whether they are "tourists" or "in transit."

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Carl Brill master of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Marital condition).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
 A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
 A farmer is one who operates a farm, either for himself or others.
 A farm laborer is one who works on a farm for the man who operates it.
 Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
 Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
 Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**
 The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**
 "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**
 "Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
 "African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
 The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
 The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
 Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
 Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year for period of years and place; as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Occupation or profession).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupations "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 15 to 17.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Marital or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Steel engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 9 (Last permanent residence).—The entries in column 9 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 10 (Final destination).—The entry in column 10 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master.
I, E. von Borrell master of the S. S. Mann, do solemnly, sincerely, and truly swear that I have caused the names of each and all of the aliens named in the foregoing Lists or Manifest Sheets, to be taken from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, insane person, or is likely to become a public charge, or is suffering from a loathsome or dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information on said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 14th day of March, 1900
at San Francisco
Immigration Officer.
State whether Master, First or Second Officer.

Affidavit of Surgeon.
I, Dr. C. D. K., Surgeon of the S. S. Mann, sailing therewith, do solemnly, sincerely, and truly swear that I have had thirty years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Minnesota, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 14th day of March, 1900
at San Francisco
Immigration Officer.
*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 6 should describe, as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Franco" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:
CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to that basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 10 (Last permanent residence).—The entry in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket), or No (no ticket).
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.
Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. von Brühl, master, of the S.S. Mari from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 17th day of March, 1907

at Philadelphia, Pa.
Immigration Officer.

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Dr. C. D. S., Surgeon of the S.S. Mari, sailing therewith, do solemnly, sincerely, and truly swear that I have had three and a half years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Michigan, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 17th day of March, 1907

at Philadelphia, Pa.
Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply an engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom passage was paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Inspector

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, *E. von Brillmacher*, of the *Y. P. Mann*, from *Bremen*, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, *29* in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. von Brillmacher

Officer.

Sworn to before me this _____ day of _____, 190.

Immigration Officer.

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, *Dr. C. G. Gies*, Surgeon of the *S. S. Mann* sailing therewith, do solemnly, sincerely, and truly swear that I have had *three and a half* years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of *the University of Munich*, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, *29* in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this _____ day of _____, 190.

Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to meet final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. von Borell Master of the SS Abani from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of March, 1907 at 111 Immigration Officer.

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Dr. C. Dix, Surgeon of the SS Abani, sailing therewith, solemnly, sincerely, and truly swear that I have had three and a half years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the university of Minnesota, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of March, 1907 at 111 Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom passage was paid, as well; husband, father, brother, or other relative; friend; steamship company, etc.).—The entry in column 13 should show definitely by whom passage was paid, as well; husband, father, brother, or other relative; friend; steamship company, etc.
Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, C. von Borrell, Master of the S.S. Mann, from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, vessel turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1904-07, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, glass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

THE TERM "CUBAN" REFERS TO THE CUBAN PEOPLE (NOT NEGROES):

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom fare passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, Corn. J. M. Maslow, of the S.S. Abawi, from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, to go in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

I, J. M. Maslow, Surgeon of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wheel turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarlinia; and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

nent residence.

place (city or town) of final destination.

nitely by whom passage was paid, as self; husband, father, brother, or other relative;
friend; steamship company, etc.

column 14 should give in each case (individual or family) the exact amount of money
shown.

Money brought by the head of a family should not be divided among the several
members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—
The entries in column 15 should show whether or not (Yes or No) in the United States
before, and if so, the year (or period of years) and place, as, 1884-87, Philadelphia.

or Commanding Officer, or First or Second Officer.

I, John Brown, the Master of the S.S. Shaw, from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon in number, and that from the report of said surgeon and from my own investigation, I believe that each and all of the aliens named in the foregoing Lists or Manifests is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a dangerous contagious disease, or is a person who has been convicted of a felony or other crime, or is a person who is engaged in labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 1st day of March, 1900

at Bremen

Immigration Officer.

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Dr. C. Dix, Surgeon of the S.S. Shaw, sailing therewith, do solemnly, sincerely, and truly swear that I have had three and a half years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Minnesota, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 26 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 1st day of March, 1900

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, i. e., northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband; father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of such alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

AFRICAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not: Yes or No in the United States before; and if so, the year (or period of years) and place, as 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Corn Dorell master of the SS Abany from Bremen do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, -29- in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Affidavit of Surgeon.

I, Dr. C. D. Dr. Surgeon of the SS Abany sailing therewith, do solemnly, sincerely, and truly swear that I have had three and a half years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Munich, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, -29- in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks, during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, D. C. Dix, Surgeon of the S.S. Hawn, sailing therein, do solemnly, sincerely, and truly swear that I have had three and a half years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Minnesota, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this _____ day of _____, 1907 at _____

Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widow), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, lease polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place: as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. von Borell master of the S. S. Steamer from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

I, Dr. C. R. Smith, sailing therewith, do solemnly, sincerely, and truly swear that I have years' experience as a Physician and Surgeon, and that I have caused each of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, to be personally examined by me, or by a physician or surgeon under my supervision, and that I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Sworn to before me this 27 day of March, 1907

at St. Louis, Mo.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
 Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widow), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.
 A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. von Brunn master of the S.S. Mari from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, - 20 - in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

C. von Brunn
Officer.

Sworn to before me this 10th day of March, 1907

Wm. H. Smith
Immigration Officer.

*State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Dr. C. D. D. Surgeon of the S.S. Mari sailing therewith, do solemnly, sincerely, and truly swear that I have had three and a half years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Munich, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, - 20 - in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 10th day of March, 1907

Dr. C. D. D.
Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, bookbinder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak Italian dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of landry shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which the alien is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully rectified by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Bohemian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom visa passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-96, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupations "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and where; as, 1891, St. Philadelphia.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, *Corn. Bral*, master of the *S.S. Aban* from *Bremen* do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, - 30 - in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public nuisance, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a crime, or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or contract, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is true and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil Engineer, Stationary Engineer, Jeweler, Engineer, Mining Engineer, Brass Polisher, Steel Polisher, Iron Molder, Wood Turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
1. *Farmer* is one who operates a farm, either for himself or others.
2. *Farm laborer* is one who works on a farm for the man who operates it.
Column 5 (Last permanent residence).—The entry in column 5 should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 6 (Able to read and write).—Column 6 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 7 (Nationality).—Column 7 should be construed to mean the country of which immigrant is a citizen or subject.
Column 8 (Race or people).—The entry in column 8 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 9 (Last permanent residence).—The entries in column 9 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 10 (Final destination).—The entry in column 10 should show definitely the place (city or town) of final destination.

Column 11 (Whether having a ticket to such final destination).—The entry in column 11 should be either Yes (ticket) or No (no ticket).

Column 12 (By whom was passage paid).—The entry in column 12 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 13 (Whether in possession of \$20, and if less, how much).—The entry in column 13 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 14 (Whether ever before in the United States; and if so, when and where).—The entries in column 14 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.

Column 15 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 16 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, *D. C. Fox*, Surgeon of the *S.S. Aban* sailing therewith do solemnly, sincerely, and truly swear that I have had *three and a half* years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of *the university of Michigan*, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, - 30 - in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Corn Brad Masler, of the S.S. Mann, from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel/sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, - 29 - in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widow), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom fare passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr. C. Dir, Surgeon of the S.S. Mann, sailing therewith, do solemnly, sincerely, and truly swear that I have had three and a half years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the university of Wien, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, - 29 - in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).
Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is citizen or subject.
Column 9 (Recent people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes)).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1904-07, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom visa passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friends; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relatives or friends; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widow), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Country of birth).—Column 6 should be construed to mean the country of which manifestant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

EUROPEAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20 and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894 or Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join other a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, Carl Fred master of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show who they are going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. von Borell master of the S.S. Abani from Primer, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, - 30 - in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 25th day of March, 1907 at San Francisco Immigration Officer.

* State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, A. C. Dix, Surgeon of the S.S. Abani, sailing therewith, do solemnly, sincerely, and truly swear that I have had three and a half years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Minnesota, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, - 30 - in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 25th day of March, 1907 at San Francisco Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relatives or friends; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. Portuguese, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Helene by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom visa passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the date of arrival, and place, as, 19-4-97, Philadelphia.

Column 16 (Going to join a relative or friend, and if so, what relative or friend, and complete address).—The entry in column 16 should show whether going to join a relative or friend, and if so, what relative or friend, and complete address.

Column 17 to 19 (Remarks).—The entries in these columns are subject to revision by any inspection officer in the case of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people assigned in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarinina) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1904-07, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom sea passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.
Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. W. Powell, master, of the SS Abani, from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, - 28 - in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 13th day of March, 1907

at New York
C. W. Powell
 Master
 State whether Master, First or Second Officer.

Sworn to before me this 13th day of March, 1907

at New York
Dr. C. Dix
 Surgeon
 State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
 A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
 Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
 Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
 Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**
 The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**
 "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**
 "Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
 "African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
 The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
 The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarinina) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
 Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to each final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
 Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. von Drell master of the SS. Aban from Premen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, - 25 - in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States; or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 14th day of March, 1907

at My William Dock Immigration Officer.

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Dr. C. G. G. Surgeon of the SS. Aban sailing therewith, do solemnly, sincerely, and truly swear that I have had three and a half years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Minnesota and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, - 25 - in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 14th day of March, 1907

at My William Dock Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brick polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read, but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to that portion of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Column 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Conrad Smith of the S.S. Abair from Green, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 23rd day of March, 1907 at Green Ill. W. H. Smith Smith Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widow), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, New York.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to inspection officer in the examination of aliens.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists;" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Marital or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
Distinction should be made between farmer and farm laborer, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Distinction should be made between this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (cannot read but can write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, a "French" appearing on a manifest does not necessarily mean "French" by race or people, but similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
 The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money here shown out of a family should not be divided among the several members of the family.

Column 15 (Ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes (in the United States before), and if so, the year (or period of years) and place; as, 1891, Philadelphia.

Column 16 (Go to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 17 to 20.—The answers in these columns are subject to review by and inspection officer in the station of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), W (widowed), or D (divorced).

Column 4 (Occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, *carpenter, stonemason, engineer, locomotive engineer, mining engineer, brass finisher, painter, polisher, iron molder, wheel turner, etc.*, and not simply *carpenter, polisher, molder, painter, or other indefinite designations.*

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the farmer who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the aliens.

Aliens intending to pass through and out of the United States should be recorded under head of occupations as "in transit"; those coming only for temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

For instance, "French" appearing on a manifest does not necessarily mean "French," by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France," by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

ITALYAN.

The term "Italian" refers to the Italian people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

The people who are native to that portion of Italy south of the head of the Adriatic, comprising Liguria, Tuscany, the Marches, Umbria, Rome, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and who should be classed as "Italian (South)." The entries in column 10

Column 11 (Last permanent residence).—The entries in column 11 should show the country and city or town of last permanent residence. It is important that steamship companies accurately show country of last permanent residence of country of temporary residence, nationality, or race.

INSTRUCTIONS FOR

11-116

Column 1. Age. The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2. Sex. The entry in column 2 should be either M (male) or F (female).
Column 3. Married or single. The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4. Calling or occupation. The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply occupation, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head 4, occupation as "in transit," those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 5. Able to read and write. Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No can read but not write.

Column 6. Nationality. Column 6 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 7. Race or people. The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race, but "French" by nationality. An alien who is Irish, German, or Italian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-115

"Africa" islands of the West appearance indicates a landing.

The people who are native to the basin of the departments of Piedmont, Lombardy, Veneto, and Emilia, residing in Italy, Switzerland, Austria-Hungary, or any other, as "Italian (north)." Most of these people speak a (Galic) dialect.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the departments of Liguria, Tuscany, the Marches, Umbria, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia should be classed as "Italian (south)."

Column 8. Last permanent residence. The entries in column 8 should show the country and city or town of last permanent residence. It is purpose that steamship companies should show country of independent of country of temporary residence, nationality, or a. Aliens who are permanent residents of the United States or visit abroad, should be recorded on manifests as United States or permanent residence.

Column 9. Final destination. The entry in column 9 is place, city or town of final destination.

Column 10. Whether having a ticket to such final destination.

Column 11. Whether having a ticket to such final destination. The entry in column 11 should be either Yes (ticket) or No (no ticket).

Column 12. By whom was passage paid? The entry in column 12 should show whether or not (Y or N) by whom passage was paid, as self, husband, father, by trip, steamship company, etc.

Column 13. Whether in possession of \$20 and if less, the column 14 should give in each case (individual or family) the amount.

Money brought by the head of a family should not be divided among the family.

Column 14. Whether ever before in the United States; and the entries in column 15 should show whether or not (Y or N) before, and if so, the year (or period of years) and place; no, if.

Column 15. (To join relative or friend); and if so, what city in column 16 should show whether going to join either a relative or friend, with name and complete address.

Column 17 to 22. The answers in these columns are on inspection officer in the examination of aliens.

I, Dr. J. J. J. J. Surgeon of the S.S. Sarn sailing therewith, do solemnly, sincerely, and truly swear that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the municipality, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, one in number, are according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the physical and medical condition of such aliens.

I, James Scott Master of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The year of age in column 1 should be expressed in years or months, the latter only in case of children under 1 year of age.
Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single). The entry in column 3 should be either M (married) or S (single). If divorced, it should be D (divorced).

Column 4 (Occupation or profession). The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien named, as for example: Civil engineer, stationary engineer, foundry worker, mining engineer, brass polisher, steel polisher, coal miner, etc. and not simply as engineer, polisher, miner, etc., or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money received for their labor.

A *farmer* is one who operates a farm, either for himself or others.

A *farmer laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "transients" under head of occupation.

Column 5 (Can read and write). Column 5 is subdivided and the entries therein should be either Yes, Yes, can read and write, No, No, can neither read nor write, or Yes, No, can read but not write.

Column 6 (Nationality). Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people). The entry in column 7 should show the race or people as given in list on reverse side of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

HISPANIC-AMERICAN.

"Hispanic-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTHERN).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (northern)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTHERN).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarinina) and their descendants should be classed as "Italian (southern)." Most of these people speak a Gallic dialect of the Italian language.

Column 8 (Last permanent residence). The entry in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination). The entry in column 9 should show definitely the city, county or town of final destination.

Column 10 (Whether having a ticket to reach final destination). The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid). The entry in column 11 should show definitely by whom passage was paid, namely, husband, father, brother, or other relative; and, steamship company, etc.

Column 12 (Whether in possession of \$5, and if so, how much). The entry in column 12 should give in each case individual or family the exact amount of money owned.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where). The entry in column 13 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as, 1904-05, Philadelphia.

Column 14 (Going to join relative or friend, and if so, what relative or friend). The entry in column 14 should show whether going to join either a relative or friend, and if what relative or friend, with name and complete address.

Column 15 to 22. The answers in these columns are subject to revision by any section officer in the examination of aliens.

SPECIAL INSTRUCTIONS FOR FILIPINO ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500 A and 1500 B) new numbers 500, 700 A, and 700 B), and as it relates to alien arrivals including those in transit and en route, should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 6 should describe as accurately possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply an engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

ITALIAN (NORTH).
The people who are native to the basin of the River Po, northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect distinct from the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1: (Age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2: (Sex). The entry in column 2 should be either M. (male) or F. (female).
Column 3: (Married or single). The entry in column 3 should be either M. (married), S. (single), W. (widowed), or D. (divorced).
Column 4: (Calling or occupation). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, miner, carpenter, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply a carpenter, polisher, molder, turner, or other indefinite designation.
A distinction should be made between *seamen* and *other aliens* regardless of the amount of money shown, as follows:
A *seaman* is one who operates a boat, either for himself or others.
A *laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupations "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupations.
Column 5: (Able to read and write). Column 5, relative to the entries therein should be either Yes. Yes can read and write. No. No can neither read nor write, or Yes. No can read but not write.
Column 6: (Citizenship). Column 6 should be construed to mean the country of birth of immigrant, alien, citizen or subject.
Column 7: (Race or people). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For example, "France" appearing on a manifest does not necessarily mean "French" by nation, people, and similarity. "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

African (black).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (south).

The people who are native to the basin of the River Po in northern Italy, the compartments of Piedmont, Lombardy, Veneto, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (south).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)." The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Column 8: (Last permanent residence). The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9: (Final destination). The entry in column 9 should show definitely the place, city or town, of final destination.

Column 10: (Whether alien is linked to each final destination). The entry in column 10 should be either Yes (checked) or No (not checked).

Column 11: (By whom was passage paid). The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12: (Whether in possession of \$20, and if less, how much). The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13: (Whether ever before in the United States; and if so, when and where). The entries in column 13 should show whether or not Yes or No in the United States before; and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 14: (Going to join relative or friend; and if so, what relative or friend). The entry in column 14 should show whether going to join other relative or friend; and if so, what relative or friend, with name and complete address.

Column 15 to 17. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Y. H. Risch, Master of the SS. "H. H. H." from New York, do
solemnly, sincerely and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon
employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the
persons, Lists or Manifests Shown. 4 in number, and that from the report of said surgeon and from my own
observation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public
charge, or is suffering from a loathsome, or a dangerous contagious disease, or is a person who has been convicted of a
felony, or other crime, or an infamance involving moral turpitude, or a polygamist, or an anarchist, or under promise or
contract, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best
of my knowledge, and along the information in said Lists or Manifests concerning each of said aliens named therein is
correct and true in every respect.

Chen et al. [11]. The energy of the π -conduction band can be expressed in points or meV, the lattice potential can be expressed in meV, and the energy of the σ -conduction band can be expressed in eV. The energy of the π -conduction band is ~ 0.1 eV, the energy of the σ -conduction band is ~ 1.5 eV, and the lattice potential is ~ 0.1 meV.

8. *Journal of Wildlife Management*, Vol. 57, No. 1, 1993. The authors reported that the eight deer samples were taken from a single population, and that the population was not spatially structured. However, the authors also stated that the deer were taken from a single population, and that the population was not spatially structured. This is a contradiction, and the authors should have been more explicit in their description of the population structure.

Statistical pattern matching of the two sets of data indicates that the two sets of data are not significantly different. This suggests that the two sets of data are not significantly different.

Moreover, given that it is possible to find a large number of people who are not in the number band of the supermajority, it is reasonable to assume that a temporary shift in the United States that is tantamount to a "change of government" will be opposed as "un-American" and a loss of national reputation.

Answer: No team had lost but not yet.

¹⁰ "African Black" refers to the African Negro, whether coming from Cuba or other islands, the West Indies, North or South America, Europe, or Africa. Any alien whose registration indicates an admixture of Negro blood should be classified under this heading.

PLATE 1

The people who inhabit the Pecos and Rio Grande region have many common features. They speak Iroquoian, Algonquian, Uto-Aztecan, and they are nomadic, whether hunting and gathering, or herding. Another feature is that they are all classified as "Indian" people. Most of these people speak a Gilaan dialect of the Iroquoian language.

The people who are native to that portion of Italy south of the Apennine of the River Po, are the so-called mixed Ligurian-Tuscan, the Marches, Umbria, Rome, the Abruzzi, and Naples. Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their islands and waters, are considered Italian, but not

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 15, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom some passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1884-87, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 19.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarinina) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Age. The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2. Sex. The entry in column 4 should be either M (male) or F (female).

Column 3. Married or single. The entry in column 5 should be either M (married), S (single), W (widowed) or D (divorced).

Contents of column 6 (occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, manager, engineer, brass polisher, steel pusher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm labourers* regardless of the amount of money shown as follows:

A *farmhand* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

(Column 1 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No can read but not write).

Column 8.—Nationality.—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Columbus—*Place or people*. The entry in column 3 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by

race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CHHAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, steamship engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).
The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Calabria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

W. R. Henderson, Surgeon of the "PHILADELPHIA", *Sailing therefrom*, do solemnly, sincerely, and truly swear that I have had *2* years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of *Columbia University*, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, *2* in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, W. R. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
Column 5 (Amount of money shown).—A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 6 (Able to read and write).—Column 6 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 7 (Nationality).—Column 7 should be construed to mean the country of which immigrant is a citizen or subject.
Column 8 (Race or people).—The entry in column 8 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 9 (Last permanent residence).—The entries in column 9 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 10 (Final destination).—The entry in column 10 should show definitely the place (city or town) of final destination.
Column 11 (Whether having a ticket to such final destination).—The entry in column 11 should be either Yes (ticket) or No (no ticket).
Column 12 (By whom was passage paid).—The entry in column 12 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 13 (Whether in possession of \$20, and if less, how much).—The entry in column 13 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 14 (Whether ever before in the United States, and if so, when and where).—The entries in column 14 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.
Column 15 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 16 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, C. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).
Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).
Column 5 (Calling or occupation).—The entry in column 5 should be written as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 6 (Able to read and write).—Column 6 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 7 (Nationality).—Column 7 should be construed to mean the country of which manifestant is a citizen or subject.
Column 8 (Former people).—The entry in column 8 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect distinct from the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 9 (Last permanent residence).—The entry in column 9 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 10 (Final destination).—The entry in column 10 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom visa passport paid).—The entry in column 13 should show definitely by whom passport was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.
Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1884-87, Philadelphia.
Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.
Column 17 (to 22).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

The people whose native place is about the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Friaul), and their descendants, whether residing in Italy, Switzerland, Austria, Germany, or any other country, should be classed as Italian, not as Slavonic. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply a number, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "transients" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

IRISH.
The term "Irish" refers to the Celtic people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are natives to the basin of the River Po, in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants) should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket for such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 12 (Whether in possession of \$5, and if less, how much).—The entry in column 12 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not "Yes" or "No" in the United States before, and if so, the year (or period of years) and place, as 1894-95, Philadelphia.

Column 14 (Whether in possession of \$5, and if less, how much).—The entry in column 14 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Column 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.
The information required on the manifest (Forms 1500, 1500-A, and 1500-B) (new numbers 1500-A and 1500-B) should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses. In all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.
Column 1 (Sex).—The entry in column 1 should be either M (male) or F (female).
Column 2 (Married or single).—The entry in column 2 should be either M (married), S (single), V (widowed), or D (divorced).
Column 3 (Vocational occupation).—The entry in column 3 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply assignator, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown in column 14.
A *farmer* is one who owns a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Column 4 (Able to read and write).—(Column 4 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).)
Column 5 (Nationality).—Column 5 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.
Column 6 (Race or people).—The entry in column 6 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.
AFRICAN (black).
"African (black)" refers to the Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.
ITALIAN (north).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.
ITALIAN (south).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.
Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town, of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

UNITED STATES CONSUL AT SOUTHAMPTON, ENGLAND:
This is to certify that the numbers of the manifest were rejected by the Medical Officer serving on this ship, for

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Lucas, Master of the Philadelphia, from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 24th day of March, 1900

at NEW YORK

E. Lucas
Immigration Officer

State whether Master, First or Second Officer.

Affidavit of Surgeon.

1900-40

I, W. R. Henderson, Surgeon of the Philadelphia, sailing thereon, do solemnly, sincerely, and truly swear that I have had Twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Columbia University, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 24th day of March, 1900

at NEW YORK

W. R. Henderson
Immigration Officer.

* State whether Surgeon "sailing thereon" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. The return of age in column 1 should be expressed in years and months, the latter applying only to those under 1 year of age.
Column 2. The entry in column 2 should be either M (male) or F (female).
Column 3. Married or single. The entry in column 3 should be either M (married) or S (single). Widowed, or divorced.
Column 4. Last permanent residence. The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example Civil engineer, stationery engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
Distinction should be made between *transient* and *permanent* residents, regardless of the amount of money shown, as follows:
A *transient* is one who operates a farm, either for himself or others.
A *permanent* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only to a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5. Able to read and write. Column 5 is subdivided and the entries thereon should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).
Column 6. Nationality. Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7. Race or people. The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and "Irish," "French," appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN

The term "Cuban" refers to that Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i.e., the compartments of Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak Gallo-Italic of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 8. Last permanent residence. The entries in column 8 should show the country, and only in cases of last permanent residence. It is important for statistical purposes that steamship companies should show country of last permanent residence independent of country of temporary residence, nationality, or race.

* Aliens whose permanent residence of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9. Final destination. The entry in column 9 should show definitely the place, city, or town, of final destination.

Column 10. Whether having a ticket to such final destination. The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11. By whom was passage paid. The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12. Whether in possession of \$20 and if less, how much. The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13. Whether ever before in the United States, and if so, when and where. The entries in column 13 should show whether or not Yes or No in the United States before, and if so, the year or period of years, and place, as 1894-95, Philadelphia.

Column 14. Living in, or relatives or friends, and if so, what relative or friend. The entry in column 14 should show whether going to join other a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 15 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or Single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or Occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or People).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, E. Lucas, Chief Officer, of the Philadelphia, from San Francisco, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarinina) and their descendants should be classed as "Italian (south)."
Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom passage was paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.
Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1904-05, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, W. R. Henderson, Surgeon of the Philadelphia, sailing therewith, do solemnly, sincerely, and truly that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Columbia University, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 18 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

W. R. Henderson
Surgeon.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France," appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show, definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom passage was paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

There is a growing consensus that the EPR argument is, and should be, its own proof. The only question is whether it is to be taken as a *prima facie* case, as for example, in the case of the special relativity argument, or as a *prima facie* case, as in the case of the special relativity argument. We can see, and not only in the case of the special relativity argument, that the EPR argument is, and should be, its own proof.

For instance, as French appears on a manifest does not necessarily mean, French, by means of its linguistic structure, French appearing on a manifest does not necessarily mean, French, by its structure. An idiom which is French (German or Italian) is not

The term "Cuban" refers to the Cuban people and Hispanics.

"*West Indian*" refers to the people of the West Indies other than Cuba (not *Negroes*).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.
The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals including those in transit and boardings, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases by to and including column 16, by a descriptive title indicating briefly the subject to which it relates.
Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widow), or D (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, coal turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmer* and *farm laborer* regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and correspondence should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes-No (can read and not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, a Frenchman appearing on a manifest does not necessarily mean a Frenchman by race or people, and similarly, a Frenchman appearing on a manifest does not necessarily mean a Frenchman by nationality. An alien who is Irish, German, or Hebrew, to race, might properly come under the heading of United Kingdom or any other country by nationality, in this connection, the following distinctions should be specially observed:
CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
West Indian refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
"Spanish American" refers to the people of Central and South America of Spanish descent.
AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".
Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom passage was paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 200, 200 A, and 200 B), so far as it relates to alien arrivals including those in transit and transfers, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Ships' companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be confined to upon the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" as by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" as by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Veneto, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the *country* and *city or town* of last permanent residence, instead of the province, city, or town and *city or town* of last permanent residence. The entry in column 11 should show definitely the *city or town* of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family), the exact amount of money possessed.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). Tidemarks in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1893-95, Philadelphia.

Column 16 (To go to join relative or friend; and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest forms 500, 500 A, and 500 B, so far as it relates to alien arrivals including those in transit and landings, should be made in accordance with the following classifications. The number of the column on the manifest to which these special instructions apply is indicated in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes (can read and write), No (can neither read nor write), or Yes No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, a *France* appearing on a manifest does not necessarily mean a *French* person, and similarly, a *French* appearing on a manifest does not necessarily mean a *France* by nationality. An alien who is Irish, German, or Belgian by race might properly come under the heading of United Kingdom or any other country by nationality; in this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., from portions of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." .

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 28. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

The information returned on the manifest (Form 200, 200 A, and 200 B), so far as it relates to alien arrivals including those in transit and transfers, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negroes, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 2 (Age). — The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), V (widow), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as equipment polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer* regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

Farmer laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or other country by nationality, in this connection the following distinction should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town the place, city or town of final destination.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to each final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Enrico Emanuele of the **CITTÀ DI TORINO**, from *Genova Salomè* do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, *50* in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this *24th* day of *March* 190*7* at *New York* *Enrico Emanuele* Immigration Officer.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age). — The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). — The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). — The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation). — The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write). — Column 5 is subdivided and the entries thereon should be either Yes (can read and write), No (can neither read nor write), or Yes No (can read but not write).

Column 6 (Nationality). — Column 6 should be construed to mean the country of which immigrant is a citizen, or subject.

Column 7 (Race or people). — The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, a Frenchman appearing on a manifest does not necessarily mean a Frenchman by race or people, and similarly, a man appearing on a manifest does not necessarily mean a Frenchman by nationality. An alien who is Irish, German, or Hebrew by race may properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

ETHNIC.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

West Indian refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., from parts of Piedmont, Lombardy, Veneto, and Liguaria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as Italian (south).

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). The entry in column 16 should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS CONCERNING ALIEN MANIFESTS.
The information returned on the manifest (Forms 500, 501 A, and 501 B), so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.
Column 3. (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4. (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5. (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).
Column 6. (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Sponsorship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Column 7. (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).
Column 8. (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9. (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Belgian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:
CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
"Spanish American" refers to the people of Central and South America of Spanish descent.
AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardeña and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)".
Column 10. (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.
Column 11. (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.
Column 12. (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13. (By whom fare passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 14. (Whether in possession of \$ 50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15. (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894-97, Philadelphia.
Column 16. (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *firm laborers* regardless of the amount of money shown, as follows:

1. *Farm laborer* is one who operates a farm, either for himself or others.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, a Frenchman appearing on a manifest does not necessarily mean a Frenchman by race or people, and similarly, a Frenchman appearing on a manifest does not necessarily mean a Frenchman by nationality. An alien who is Irish, German, or Italian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term Cuban refers to the Cuban people (not Negroes).

WEST INDIAN.

West Indian refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as Italian (south).

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place; as, 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.
The information returned on the manifest (Form 500, 500 A, and 500 B), so far as it relates to alien vessels, including those in transit and tourists, should be made in accordance with the following classifications. The number of the column of the manifest to which the information should be given is indicated in parentheses. In all cases, the manifest including column 10, by a descriptive title indicating briefly the subject to which it relates.
Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Column 5 (Place of birth).—Column 5 is subdivided and the entries therein should be either Yes—Yes can read and write, No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Country of birth).—Column 6 should be construed to mean the country of which the manifestant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CELTIC.
The term "Celtic" refers to the Celtic people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.
AFRICAN (BLACK).
"African (black)" refers to the African race, whether coming from Cuba or other islands of the West Indies, or from South America, Europe, or Africa. Any person whose appearance indicates an admixture of negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Valle d'Aosta, and their descendants, whether residing in Italy, Sicily, or elsewhere, should be classified as "Italian (north)". Most of these people speak a Gallo-Italic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marche, Umbria, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classified as "Italian (south)".
Column 8 (Last permanent residence).—The entry in column 8 should show the country, and city or town of last permanent residence, instead of the previous city, or town.
Column 9 (Place of birth).—The entry in column 9 should show definitely the place (city or town) of birth.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes or No, or No ticket.
Column 11 (By what means conveyed).—The entry in column 11 should show definitely by whom conveyed, as self, husband, father, brother, or other relative, friend, stevedore, etc.
Column 12 (Whether possession of \$20, and if less, how much).—The entry in column 12 should show in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not Yes or No in the United States before, and if so, the year or years, and place, as, 1894-95, Philadelphia.
Column 14 (Whether ever before in the United States, and if so, when and where).—The entry in column 14 should show whether going to join other relative or friend, and if so, what relative or friend, and the name and complete address.
Columns 15 to 27.—The entries in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS

The information returned on the manifest (Forms 560, 560 A, and 560 B), so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classification: The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases by the number of the column in which the information should be given.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of such alien arrival, as for example: C (conductor), S (stationary engineer), L (locomotive engineer), M (miner), P (police), S (steel polisher), I (iron molder), W (wood turner), etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who owns a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.

Stowage companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Can read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

GERMAN.

The term "German" refers to the German people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian (north)." Most of these people speak a (Latin) dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entry in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894, St. Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrant.

The people were originally from mountainous areas in northern Italy, and the parts of Italy still known as the "valleys" are the descendants of the people coming from Italy's Switzerland. These mountainous areas of Italy are called the "Italian north." Most of these people speak a dialect called the Italian language.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest, Forms 500, 501 A, and 500 B, so far as
 it relates to alien arrivals, including transient tourists, should be made in
 accordance with the following classifications. The number of the column on the manifest
 is given in these special instructions and is followed, in parentheses, in all cases up
 to and including column 16, by a descriptive title indicating briefly the subject to
 which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or
 months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married),
 S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as concisely
 as possible the occupation, trade, or profession of each alien arrived, as, for
 example, Civil engineer, stationary engineer, locomotive engineer, mining engineer,
 brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as emi-
 grant, pechero, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *alien laborers* regardless of
 the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farmer laborer* is one who works on a farm for the man who operates it.
 Steamship companies should make this distinction on the manifests, and same
 note should be made, if necessary, by inspectors and registry clerks during the per-
 sonal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries
 therein should be either Yes-Yes (can read and write), No-No (can neither read nor
 write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be confined to mean the country of
 which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or
 people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality,
 and manifests should be carefully revised by inspectors and registry clerks in this
 regard. For instance, "France" appearing on a manifest does not necessarily mean
 "French" by race or people, and similarly, "French" appearing on a manifest does
 not necessarily mean "France" by nationality. An alien who is Irish, German, or
 Italian, by race might properly come under the heading of United Kingdom or any
 other country by nationality. In this connection the following distinctions should be
 specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish
 descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other
 islands of the West Indies, North or South America, Europe, or Africa. An alien whose
 appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., from
 portions of Piedmont, Lombardy, Veneto, and Umbria and their descendants, whether
 residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed
 as "Italian (north)". Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River
 Po, i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise,
 Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should
 be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country
 and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely
 the place (city or town) of final destination.

Column 12 (Whether brought in ticket to each final destination). The entry in column
 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show
 definitely by whom passage was paid, as self, husband, father, brother, or other re-
 lative; friend; steamship company, etc.

Column 14 (Whether accompanied by \$ 20, and if less, how much). The entry in
 column 14 should give in each case (individual or family) the exact amount of money
 shown.

Money brought by the head of a family should not be divided among the several
 members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).
 The entries in column 15 should show whether or not (Yes or No) in the United
 States before; and if so, the year or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).
 The entry in column 16 should show whether going to join either a relative or
 friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to revision by
 any inspection officer in the examination of immigrants.

one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a
dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude,
or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute,
and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens
named therein is correct and true in every respect.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR N. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as
it relates to alien arrivals (including those in transit and tourists), should be made in
accordance with the following classifications. The number of each column on the manifest
is given in these special instructions and is followed, in parentheses, in all cases up
to and including column 16, by a descriptive title indicating briefly the subject to
which it relates.

Column 1 (Age). — The return of age in column 3 should be expressed in years or
months, the latter applying only to those under 1 year of age.
Column 2 (Sex). — The entry in column 4 should be either Male or Female.
Column 5 (Married or single). — The entry in column 5 should be either Married or Single.
Column 6 (Calling or occupation). — The entry in column 6 should describe as ac-
curately as possible the occupation, trade, or profession of each alien arrived, as for
example: Civil engineer, stationary engineer, locomotive engineer, mining engineer,
house painter, steel painter, iron molder, steel turner, etc., and not simply as em-
ployed, painter, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of
the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the owner who operates it.
Stevedores should make this distinction on the manifests, and cor-
rections should be made, if necessary, by inspectors and registry clerks during the per-
sonal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries
therein should be either Yes/No (can read and write), No/No (can neither read nor
write), or Yes/No (can read but not write).
Column 8 (Nationality). — Column 8 should be construed to mean the country of
which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or
people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality,
and manifests should be carefully revised by inspectors and registry clerks in this
 regard. For instance, a Frenchman appearing on a manifest does not necessarily mean
a Frenchman by race or people, and similarly, a Frenchman appearing on a manifest does
not necessarily mean a Frenchman by nationality. An alien who is Irish, German, or
Belgian by race might properly come under the heading of United Kingdom or any
other country by nationality. In this connection the following distinctions should be
carefully observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish
descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other
islands of the West Indies, North or South America, Europe, or Africa. Any alien whose
appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., from
portments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether
residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed
as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River
Po, i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise,
Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should
be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the country
and city or town of last permanent residence, instead of the province, city, or town.
Column 11 (Point of destination). — The entry in column 11 should show definitely
the place, city or town of final destination.

Column 12 (Whether having a ticket to reach final destination). The entry in column
12 should be either Yes (ticket) or No (no ticket).

Column 13 (City where was passage paid). — The entry in column 13 should show
definitely by whom passage was paid, as self, husband, father, brother, or other re-
lative; friend; steamship company, etc.

Column 14 (Whether on possession of \$ 50, and if less, how much). The entry in
column 14 should give in each case (individual or family) the exact amount of money
shown.

Money brought by the head of a family should not be divided among the several
members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).
The entries in column 15 should show whether or not (Yes or No) in the United
States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).
The entry in column 16 should show whether going to join either a relative or
friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to revision by
any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists) should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), single, widowed, or divorced.

Column 6 (Calling or occupation). — The entry in column 6 should describe, as far as possible, the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., from the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Point destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to each final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether on possession of \$ 20, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years) and place; as, 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The column of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex). — The entry in column 4 should be "Male" or "Female".

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

For instance, a "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, a "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classified as "Italian (South)".

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city, or town.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 15, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female). Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widow), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival. As for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engine fitter, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the physical examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes (can read and write), No (can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest. Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., can parties of Piedmont, Lombardy, Veneto, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Naples, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town, the place, city or town of final destination.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether of possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 501 A, and 501 B), so far as it relates to alien arrivals (including those in transit and transfers), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is indicated, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it applies.

Column 1 (Sex). — The return of sex in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Married or single). — The entry in column 2 should be either M (married), S (single), W (widowed), or D (divorced).

Column 3 (Calling or occupation). — The entry in column 3 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel polisher, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and careful examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be confined to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

IRISH.
 The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.
 "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po, i. e., from portions of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po, i. e., from portions of Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classified as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).

The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1884-87, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).

The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

example: Civil engineer, stationer, organist, locomotive engineer, mining engineer,
house painter, steel polisher, iron molder, wood turner, etc., and not simply as carpenter,
mason, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers* regardless of
the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and correc-
tions should be made, if necessary, by inspectors and registry clerks during the per-
sonal examination of alien arrivals.
Column 7 (Able to read and write). — Column 7 is subdivided and the entries
therein should be either Yes (can read and write), No (can neither read nor
write), or Yes-No (can read but not write).
Column 8 (Nationality). — Column 8 should be construed to mean the country of
which immigrant is a citizen or subject.
Column 9 (Race or people). — The entry in column 9 should show the race or
people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality,
and manifests should be carefully revised by inspectors and registry clerks in this
regard. For instance, a *French* appearing on a manifest does not necessarily mean
a *French* by race or people, and similarly, a *French* appearing on a manifest does
not necessarily mean a *French* by nationality. An alien who is Irish, German, or
Belgian by race might, however, come under the heading of United Kingdom or any
other country by nationality. In this connection the following distinctions should be
specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
Refers to the people of Central and South America of Spanish
descent.
AFRICAN (BLACK).
Refers to the African Negro, who, when coming from Cuba or other
islands of the West Indies, North or South America, Europe, or Africa, any alien whose
appearance indicates that he is of negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy north of the River Po, or northern Italy, i. e., such
portions of the Kingdoms of Lombardy, Veneto, and Emilia, and their descendants, whether
residing in Italy or elsewhere, should be classified as "Italian (North)". Most of these people speak a dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po, or southern Italy, i. e., such
portions of the Kingdoms of Lombardy, Veneto, and Emilia, and their descendants, whether
residing in Italy or elsewhere, should be classified as "Italian (South)". Most of these people speak a dialect of the Italian language.
Column 10 (Last residence). — The entry in column 10 should show the country
and city or town of last permanent residence, instead of the province, city or town.
Column 11 (Final destination). — The entry in column 11 should show definitely
the place, city or town of final destination.
Column 12 (Whether having a ticket to each final destination). The entry in column
12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom visa or passport procured). — The entry in column 13 should show
definitely by whom passage was procured: self; husband, father, brother, or other re-
lative; friend; steamship company, etc.
Column 14 (Whether in possession of \$20, and if so, how much). The entry in
column 14 should give in each case (individual or family) the exact amount of money
shown.
Money brought by the head of a family should not be divided among the several
members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).
The entries in column 15 should show whether or not (Yes or No) in the United
States before, and if so, the year (or years) and place, as, 1894-95, Philadelphia.
Column 16 (Going to join relative or friend; and if so, what relative or friend).
The entry in column 16 should show whether going to join either a relative or
friend; and if so, what relative or friend, with name and complete address.
Columns 17 to 22. — The answers in these columns are subject to revision by
any inspection officer in the examination of immigrants.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Simon Thomson of the County of San Francisco, State of California, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that none of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Swear to before me this

day of ~~April~~

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR N.º 43.

SPECIAL INSTRUCTIONS FOR FILLING AIDEN MANIFESTS:

The information returned on the manifest Forms 500, 500 A, and 500 B, sections 1, relates to ship arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 46, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling occupations).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifestos should be carefully reviewed by inspectors and registry clerks in this regard. For instance, * France * appearing on a manifesto does not necessarily mean * French * by race or people, and similarly, * French * appearing on a manifesto does not necessarily mean * France * by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of Untel' Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CHAM.

The term « Cuban » refers to the Cuban people (not Negroes).

WEST INDIAN.

* West Indian * refers to the people of the West Indies other than Cuba (not Negroes).

841 VAN DER HOFSTADT, A. M. H. 1964. A N

Spanish American refers to the people of Central and South America of Spanish descent.

MATHIEU AND CHEN (1991) AND CHEN

* African blacks refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i.e., compartments of Piedmont, Lombardy, Veneto, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as « Italian (north). » Most of these people speak a Gallic dialect of the Italian language.

ITALIAN SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as « Italian (south) ».

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

The entries in column 45 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).
- The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Affidavit of Surgeon.

I, Geo. Sauter, Surgeon of the CITY OF TORONTO, do solemnly, sincerely, and truly declare that I have had 9 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the Authority of Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 50 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Swear to before me this

day of March.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No 43.

SPECIAL INSTRUCTIONS CONCERNING ALIEN MANIFESTS.

The information returned on the manifest forms 500, 501, A, and 502, B, shall be in relation to alien crews including those in transit and tourists, should be prepared in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either Male or Female.

Column 5 (Married or single).—The entry in column 5 should be either Married, Single, Wid (widowed), or Divorced.

Column 6 (Calling or occupation).—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN-NEGRO.

"African-Negro" refers to the African Negro, who, when coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa, may have whose appearance indicates a admixture of negro blood should be classified under this heading.

ITALIAN (SOUTH).

The people who are native to the basin of the River Po in northern Italy, or some part thereof, of Piedmont, Lombardy, Veneto, and Trieste, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)." Most of these people speak a dialect of the Italian language.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Naples, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (checked) or No, the ticket.

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if so, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before, and (if so, the year or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR CITIZEN ALIEN MANIFEST.

The information returned on the manifest Form 500, 501, A, and 502, is to be in accordance with the following classifications. The entries in the manifest are given in these special instructions and are followed, in parentheses, in all cases up to, and including, column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age). — The return of age in column 1 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 2 (Sex). — The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). — The entry in column 3 should be either Married, Single, Wid. (widowed), or Divorced.

Column 4 (Occupation or avocation). — The entry in column 4 should describe as concisely as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as carpenter, molder, miller, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the post-examination of their arrivals.

Column 5 (Able to read and write). — Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes-No (can read but not write).

Column 6 (Nationality). — Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people). — The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard, for instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

IRISH.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN-AMERICAN.

"African American" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Veneto, and Veneto, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (South)." The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city, or town of final destination.

Column 12 (Whether having a ticket to each final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year for period of years and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a
dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude,
or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute,
and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No 43.

THE INFORMATION CONTAINED ON THE MANIFEST, FORMS 500, 500-A, and 500-B, so far as it
relates to alien arrivals, including those in transit and tourists, should be made in
accordance with the following instructions: The number of the column on the manifest
is given in these special instructions and is followed, in parentheses, in all cases by
to, and including, column 16, is a descriptive title indicating briefly the subject to
which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or
months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married),
S (single), V (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accu-
rately as possible the occupation, trade, or profession of each alien arrival, as for
example: Civil engineer, stationary engineer, locomotive engineer, mining engineer,
lance polisher, shoe polisher, iron moulder, wood turner, etc., and not simply as engi-
neer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of
the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Ships' companies should make this distinction on the manifests, and cor-
rections should be made, if necessary, by inspectors and registry clerks during the per-
sonal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries
thereon should be either Yes (can read and write), No (can neither read nor
write), or Yes/No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of
which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or
people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality,
and manifests should be carefully revised by inspectors and registry clerks in this
regard. For instance, "France" appearing on a manifest does not necessarily mean
"French" as by race or people, and similarly, "French" appearing on a manifest does
not necessarily mean "France" as by nationality. An alien who is Irish, German, or
Hebrew by race might properly come under the heading of United Kingdom or any
other country by nationality. In this connection the following distinctions should be
specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish
descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other
islands of the West Indies, North or South America, Europe, or Africa. Any alien whose
appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., com-
partments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether
residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed
as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River
Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise,
Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should
be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the country
and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely
the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column
12 should be either Yes (tick ✓) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show
definitely by whom passage was paid, as self, husband, father, brother, or other re-
lative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). The entry in
column 14 should give in each case (individual or family) the exact amount of money
shown.

Money brought by the head of a family should not be divided among the several
members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).
The entries in column 15 should show whether or not (Yes or No) in the United
States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).
The entry in column 16 should show whether going to join either a relative or
friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to revision by
any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

The information returned on the manifest (Forms 500, 503 A, and 503 B), so far as it relates to alien arrivals including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest assigned in these special instructions and as followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Type). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

A distinction should be made between farmers and farm laborers regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farmer laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

The people who are native to that portion of Italy south of the basin of the River Po, i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (South)."

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Enrico Serrano of the Guerra Italiana, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, a Frenchman appearing on a manifest does not necessarily mean a Frenchman by race or people, and similarly, a Frenchman appearing on a manifest does not necessarily mean a Frenchman by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.
Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Affidavit of Surgeon.

I, Giov. Santorini, Surgeon of the CITTA DI TORINO, do solemnly, sincerely, and truly declare that I have had 2 years years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Guerra, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

LIST OF RACES OR PEOPLES

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFEST

³ The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications: "The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 36, by a descriptive title indicating briefly the subject to which it relates."

Comments.—(1) The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3, Sex.—The entry in column 4 should be either M (male) or F (female).
Column 5, Married or single.—The entry in column 5 should be either M (married),
 S (single), W (widowed), or D (divorced).

duration (falling or occupational). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each individual arrival, as for example: "engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, tool dresser, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *tenant farmer* is one who works on a farm for the man who operates it.

Second, the companies should make this distinction on the manifests, and corrections must be made, if necessary, by inspectors and registry clerks during the personal examination of each shipment.

1. *Can read and write*.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Nationality.—Column 8 should be construed to mean the country of which applicant is a citizen or subject.
Race or people.—The entry in column 9 should show the race or people to which applicant belongs.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinction should be specially observed:

The term "Urban" refers to the Urban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH HOME LIFE

¹ "Spanish-American" refers to the people of Central and South America of Spanish descent.

AMERICAN ORACLE

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. An alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetian, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the base of the River Po are, compartments of Liguria, Tassany, Marshes, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be placed in the "Italian" group.

Column 10: Last residence. The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether he/she is subject to such total destruction). The entry in column 12 should be either Yes (tick) or No (no tick).

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid: self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

The entries in column 15 should show whether or not (Yes or No) in the United States before and if so, the year of first appearance, as shown on 1890-95. United States

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, the name of the relative or friend, and the place to which going.

Columns 17 to 21.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 560, 560 A, and 560 B), so far as it relates to alien arrivals including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession at the time of arrival, as for example: "Ship engineer," "stationary engineer," "locomotive engineer," "piano tuner," "brass polisher," "steel polisher," "iron molder," "wood turner," etc., and not simply as "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

1. Farmer is one who operates a farm, either for himself or others.

2. Farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made when necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Can read and write).—Column 5 is subdivided and the entries therein should be either: Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read, but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given on last census, or as of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CHINA

The term "Chinese" refers to the Chinese people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)."

Column 8 (Last residence).—The entry in column 8 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a hotel to which final destination).—The entry in column 10 should be either Yes (checked) or No (unchecked).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12 (If he has in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (A laborer ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years) and place; as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 15 to 17.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

I, *A. Gals. Master*, of the *S.S. Sworn to before me this *10* day of *March*, 190*7*

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), F (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 560, 560 A, and 560 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest to which these special instructions apply is indicated in parentheses, in all cases except those including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entry in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894-95, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 560, 560 A, and 560 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column or the manifest is given in these special instructions and is followed in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel polisher, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which manifestant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1891-92, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.
